Admission for M.Com. will commence after the graduation results.

⟫ SHREE CHANAKYA EDUCATION SOCIETY

The Shree Chanakya Education Society (SCES) was established in February 1994, under the visionary leadership of Dr. Tarita Shankar, with the aim of providing top quality education in the fields of Business Management, International Business, Mass Communication, Pharmacy, Commerce & Science, Architecture & Design, Engg. & IT. By consistently providing quality education over the past few decades, an institute at Indira Group is now considered as one of the best institutes in Pune. At a time when India was struggling to put its economy back on its feet, after the nation having pawned the "family jewels" just to keep afloat, Dr. Tarita Shankar sensed that education too would have to become more broad based and more vocational in nature if India was to stand up to the world competition in quality and price for its products.

The then Finance Minister had prescribed for the economy and so, in 1994, began a saga of growth and quality in education, a story that is just reaching its zenith with 14 full-fledged Institutes registering a strong presence on Pune's educational horizon. Since inception, the Institutes managed by SCES, have maintained high academic standards and have successfully provided trained manpower to the industrial and services sectors of the country. These institutes are now listed amongst the top colleges not just in Pune, but also in Maharashtra and India. With a modest strength of 60 students pursuing a single course, SCES has grown steadily and today boasts of 14 Institutes, having more than 14,000 students from all over India pursuing multi-disciplinary, graduate & post-graduate programs. The objective of the institute is 'Management education in a corporate environment', has been possible due to the sincere and dedicated efforts of the members of SCES, who have invaluable experience in varied areas like academics, industry, service and social-world.

❱ SCES BOARD OF TRUSTEES

❱ MEMBERS OF COLLEGE DEVELOPMENT COMMITTEE

ABOUT INDIRA COLLEGE OF COMMERCE AND SCIENCE

Under the wings of Shree Chanakya Education Society (SCES), Indira College of Commerce and Indira College of Science were established in the year 2001 which were merged in the year 2007 as Indira College of Commerce and Science. Affiliated and approved by Savitribai Phule Pune University, Pune. ICCS offers the Bachelor's Program in Commerce, Bachelors in Business Administration & Computer Application, Bachelor's and M.Sc. in Computer Science and Masters in Commerce.

ICCS has been accredited with 'A' grade by "National Accreditation and Assessment Council" (NAAC) and & "An Autonomous Status by UGC, New Delhi. The well-architected campus is spread over 5 acres with independent departments, spacious classrooms, well equipped library with a vast collection of books, latest journals and periodicals and a huge collection of CD's, laboratory with all new acquainted technical configurations. A well designed auditorium having capacity of 540 persons with all new technical equipment is the main highlight in which various programs i.e. academic and cultural are carried out. Sports facilities are also availed by students which comprises of a sports room in which Table Tennis, Carrom, Chess, Bow and Arrow and various other games are played by students.

❱ MISSION STATEMENT OF ICCS

ICCS as an institution of higher learning, aims at inculcating entrepreneurial attitude and values amongst the learners for their holistic development and inclusion and access of quality education. The institution believes in equipping the students with life skills to strive for excellence in education and in their life. It shall also be preparing the young minds for imbibing to learn skills useful for employment and development of their personality and to develop sensitivity to various social, economic, and national issues.

❱ VISION OF THE INSTITUTION

ICCS as an institution working for academic excellence, has a vision to develop the institution as a centre of excellence in higher learning. By inculcating innovative research and learning practices, the institution believes in transformation of youth through holistic educational development and by providing affordable quality education. The institution believes in value based learning systems, encouraging academic excellence and establishing a society that believes in democratic values.

❯❯ GOALS AND OBJECTIVES OF THE INSTITUTION

ICCS is the institution of higher learning that has established certain goals for the academic development of the institution and for total personality enhancement of the learners in the institution.

The principal goals of the institution are:
1. Impart quality education through innovative and state of art learning practices.
2. To provide creative academic environment to develop our learners and nurture their talents.
3. To provide appropriate opportunities and facilities for development of professional skills and well rounded personality of the student.
4. To inculcate the spirit of nationalism and nation building.
5. To impart education as a life changing need of the society.
6. To develop right environment, right educational ecosystem for collaboration and development of academics in the country.

❯❯ CORE OBJECTIVE OF THE INSTITUTION

1. Skill enhancement of the learners.
2. Accelerating research.
3. Effective development of governance.
4. Innovations in academic programs.
5. Strengthening academic environment and culture of the institution.

❯❯ THE MANDATE OF THE INSTITUTION

The institution as a centre of higher learning believes that it has been given a mandate by the society and its stakeholders on following lines,
1. To improve infrastructure of institution academic environment and academic systems for offering quality education which meets the present and future needs of the learners, as well as to develop their life skills.
2. The institution is also given a mandate for holistic development of the learners and to meet expectations of the society and to pursue all the expectations of its stakeholders.

❯ CORE VALUES

The institution as a centre of excellence believes in inculcating certain core values useful for development of holistic personality of the students.

The core values which the institution intends to inculcate amongst the students are as follows:

1. Integrity

2. Ethics

3. Excellence in education

4. Creative thinking

5. Disciplined behaviour

6. Innovative and creative approach to problem solving

7. Belief in higher ethical values of the society.
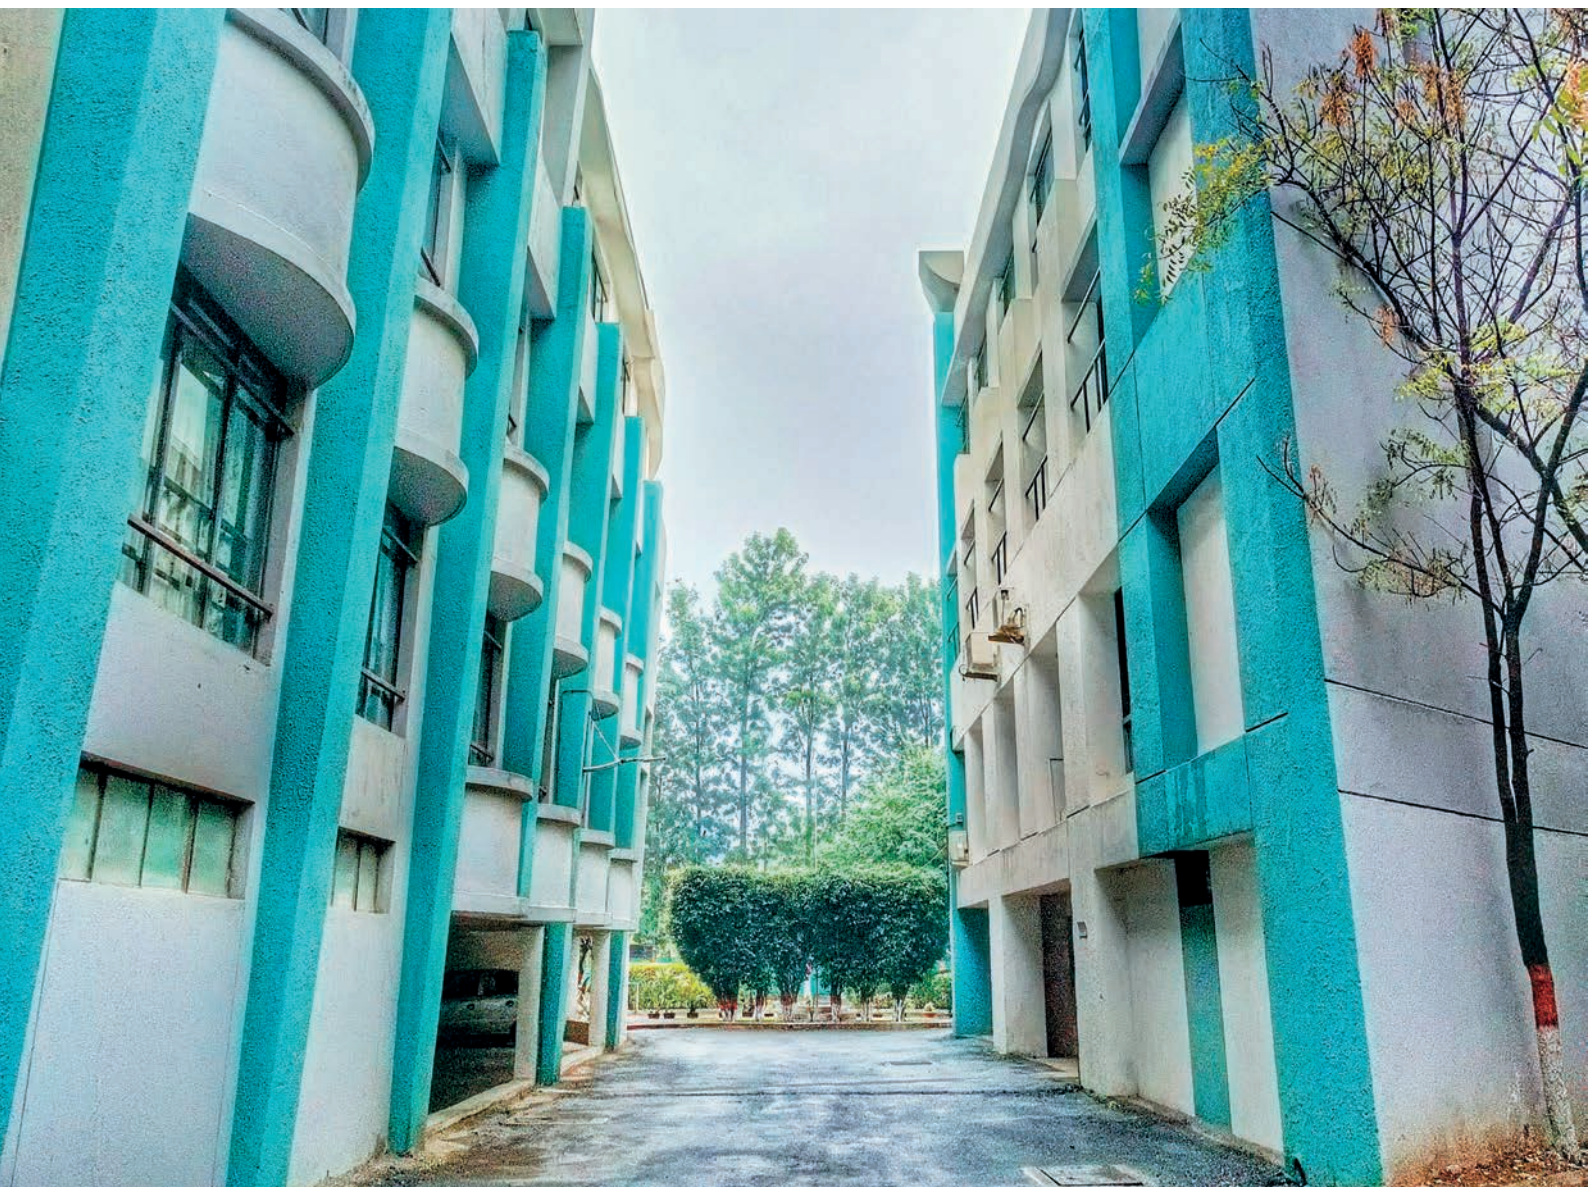

❯ CREDO OF THE INSTITUTION

The institution believes that it shall work for achieving academic excellence and total personality development of its learners in order to make them employable in various industries and institutions as well as to develop their personality for self employment and for overall transformation of their personality to achieve their life goals.

The institution also believes that it shall work for excellence in education and establish itself as an institution of higher learning at par with global standards and to work as a leader in the field of higher education.

Tagline -
➤ Achieving excellence through skills and personality development.
➤ Belief in competitive spirit.
➤ Excellence through wisdom and skills.

⟫ MESSAGE BY FOUNDER SECRETARY & CHIEF MANAGING TRUSTEE

" *Education is not preparation for life; education is life itself.* "

DR. TARITA SHANKAR
Founder Secretary & Chief Managing Trustee

Education is the best friend and it beats the beauty and the youth...

Quoting Shree Chanakya, indeed the world is beholding India's strength in every aspect of development. To enhance this strength, India needs dynamic individuals who would create a niche for themselves in the world arena.

Indians are amongst the most gifted in terms of entrepreneurial capacity and technical skillset. This is an indicator that majority of Indians are occupying sheet anchor roles in the corporate world.

The role of higher education is to motivate and empower students to be lifelong learners, critical thinkers and productive members of a changing global society. In order to channelize this vast reservoir of talent we need to provide the right platform to these budding young learners through world class knowledge from reputed and best organizations. Indira College of Commerce and Science (ICCS) is one of the pioneer colleges that rejuvenates talent through its extensive and analytical approach not only in academics, but also physical, spiritual, holistic and co-curricular activities that are designed exclusively for all round development of the students.

Under the flagship of Shree Chanakya Education Society, Indira College of Commerce and Science (ICCS) is a unique combination of Commerce, Information Technology and Management. Today's aspirants will learn administration and trade practices under Commerce, acquire skills to deliver optimized solutions using technology to real life challenges under Information Technology and synergize innovative and creative practices under Management and become promising professionals.

The sudden arrival of pandemic of covid 19 necessitated the lockdown and eventually mandated the closure of schools and colleges. Though it adversely affected the education system initially but Indira college of Commerce and science adapted the new technologies and trained the staff and faculty members to continue the education. The institution continued their courses with online and lately online and offline teaching mode in a blended way.

I welcome you all to join ICCS and become part of a triumphant group who can take our country to its ultimate aim of being the superpower in the world.

⟫ MESSAGE BY CHIEF EXECUTIVE OFFICER

> ❝ *"Education is the most powerful weapon which you can use to change the world."*
> *- Nelson Mandela* ❞

DR. PANDIT MALI

Chief Executive Officer

This philosophy is deeply entrenched in the soul of Indira Group of Institutes and our faculty team put their heart and soul together to create a better world and better future.

Being in the field of education for close to 30 years, we, at IGI, have always believed that students' learning and growth are not confined to classroom and academic experience. At IGI, students at all the levels are always exposed to carefully throughout diversified extra-curricular and co-curricular activities. We are seized of the fact that today's students are tomorrow's citizens. Thus, we leave no stone unturned in broadening their thinking horizons and inculcating the right values in the young mind which not only make them value centred leaders but also great citizens of our great nation with global outlook.

Our efforts of holistic education have further been realigned with the vision and mission of National Education Policy 2020. We have incorporated multidisciplinary courses like performing arts, history, foreign language, culinary skills, wellness and yoga to name a few in all our UG and PG programs which go a long way in preparing our students to successfully face the challenges of the new century.

Our Internal Quality Assurance Cell (IQAC) ensures that students get to develop their thinking and problem solving skills by participating in experiential learning and do it yourself (DIY) activities. Our students not only excel in their chosen field but they also stand out in public life. At IGI, we are conscious of the unique learning needs of the new generation students. Therefore, at UG and PG level, we allow them to choose subjects and modules based on their interests and career needs which are evaluated and are part of consolidated mark sheets.

Thousands of our successful alumni spread throughout the world bear testimony to our value based holistic learning and following the ideals of academic excellence. We stay ever committed to reinvent our teaching learning processes in line with the needs of public life and career aspirations of the students.

I welcome you to Indira to experience a whole new refreshing journey of education to empowerment.

❯ MESSAGE BY PRINCIPAL
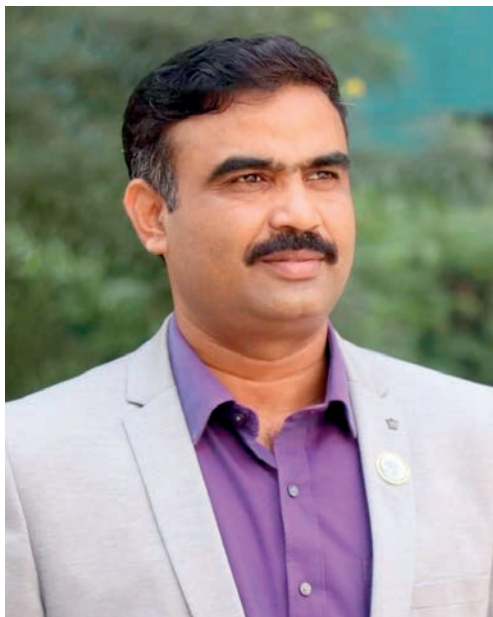

DR. JANARDAN PAWAR

Principal,
Indira College of Commerce and Science, Pune.

The pinnacle achievement of ICCS is our college's attainment of Autonomous status in 2020–21, which has allowed us to apply the Choice Based Credit System and expand the curriculum as per industry standards in order to effectively tackle the new difficulties of this era.

Moreover, the National Education Policy 2020 has imparted a wide spectrum of opportunities and access to the excellent academic and holistic development of the students. The NEP focuses on skill development courses along with an interdisciplinary and multi-disciplinary approach. ICCS has always strived assiduously to develop and elevate the cognitive domain of students by implementing the finest academic pedagogy amalgamated with technology in a collaborative atmosphere. We strongly believe that the success of new NEP though seems to be challenging but it can be achieved with our futuristic plans and its implementation.

ICCS is a perfect destination to incubate innovative ideas, enhance professional skills and provide immense opportunities to find your own self. We have always aimed to provide employability directions and advice for the students' future career to get jobs in the reputed organizations in the best possible way.

Globally important to enterprises' operations and service delivery, Data Science is now regarded as the most profitable job path of the twenty-first century. Considering the demand for data scientists soaring globally, this year we are starting with the new course B.Sc. (Data Science).

I cordially welcome you all to ICCS, where students can enjoy a fully realized holistic growth.

❯ MESSAGE BY VICE-PRINCIPAL

DR. SHIVENDU BHUSHAN

Vice-Principal,
Indira College of Commerce and Science, Pune.

The recent days are of rapid social and technological changes, due to which there is an increasing need for quality professionals who can provide optimized solutions to real world problems and create new designs and products for the ever changing world.

At Indira College of Commerce and Science we value every individual and it is our aim to provide the best possible academic environment where students can succeed. We are fortunate to have talented, highly committed teaching and support staff who ensure that the learning environment of our students is always the best.

Our mission is to cater to highly competent professionals with wide range of analytic, strategic and leadership skills who are capable of facing the challenges of the changing world. We want our students to become proficient in the latest upcoming trends in Commerce, Management and IT
We make use of Information and Communication Technology to a great extent for the development of soft skills, life skills and technical skills and make our students globally competitive. Our Industry linkages help our students become employable and best entrepreneurs.

We give special care and attention for the students belonging to socially and economically backward classes so as to make them highly competent and skilled professionals. We seek to instil in our students' passion for learning that will bring the knowledge and understanding which they will need to make a positive contribution to the global communities. ICCS is a challenging and yet exhilarating place for learning. I warmly welcome you to come and visit to experience for yourself all that our college has to offer. Exciting times are ahead of us and I hope you too can choose to be a part of our persistent success.

❯ ICCS CAMPUS

Location

Indira college of Commerce & Science is situated at Tathawade besides the New Mumbai - Pune Highway with its sprawling and pristine campus providing environment conducive to learning and all rounded development of students. The college is situated in such an area which is less polluted but is well connected to the main city.

Library

Library of ICCS is equipped to meet essential academic & intellectual needs of the students in various diverse fields. Online access system, e-journals, updated books, novels, spacious reading room provides an atmosphere conducive to study. The library stock consists of more than 18000 books which is regularly updated with changes in curriculum. The library also subscribes all leading newspaper, journals-national & international.

Canteen

A large and comfortable canteen is available and opens early morning to late evening at 10 pm. Equipped with all the necessary kitchen facilities, it serves breakfast, lunch, dinner, snacks and soft drinks to students and staff. Also, the canteen is used by students for entertaining activities during their free time. It is a friendly place for students to get acquainted and meet with other students and faculty between and after classes. The canteen is also used by students for many of their parties and other social events.

Auditorium

The institution houses a fully air-conditioned & well equipped Dhruv auditorium. It is an acoustically beautiful, air-conditioned concert hall used both as a theatre space and a multi-purpose facility. Dhruv Auditorium is the largest indoor performance facility at Indira Group of Institutes. It can accommodate an audience of approximately 500 seated. Dhruv has a stage, (22' deep and 27' wide) that is three feet higher than the house floor.

Basketball Court

Catering to the needs of the sports of students the college has a basketball court as per the standards. Students are given ample support & time for practice. The college basketball team has represented the college in various intercollege, zonal, national levels.

Computer Labs

Computer labs are a critical resource that nearly everyone in the student body may utilize. Computer labs often include software that many students may not have on their personal computers due to cost or accessibility. The labs provide computing equipment, software and printers to support academic endeavors. The College has 7 excellent Labs for Computer Science, Mathematics and Electronics oriented study. A computer lab is spacious, fully air-conditioned and well planned consisting of more than 369 systems of which the major share is contributed by advanced machines. The lab has the latest hi-tech configuration of hardware and software.

Gymnasium

Our gymnasium consists of quite sophisticated machines and weights. Like leg extension, leg curl, leg adductor, chest press, lat machine, peck deck, free weights, sitting bike, incline bench, decline bench, bicep press, horizontal row bar and treadmill. Adding to it we have a team of best trainers who train the students and faculties and are always ready to help or support them in any kind of exercise. Gym opens in early morning and facilities are available till 8 p.m.

ICCS CAMPUS
